

**Case No. CV 10-S-253-NE**

Having now carefully reviewed and considered *de novo* all the materials in the court file, including the report and recommendation, the Court is of the opinion that the report is due to be, and it hereby is, ADOPTED, and the recommendation is ACCEPTED. Consequently, the petition for writ of *habeas corpus* filed pursuant to 28 U.S.C. § 2254 in the above-styled cause is DISMISSED with prejudice, because

the petitioner's failure to obtain the necessary authorization of the Eleventh Circuit Court of Appeals to file a successive petition has left this court without jurisdiction to adjudicate petitioner's claims.

DONE and ORDERED this 12th of April, 2010.

  
United States District Judge
